

## DEEPER ENCOUNTERS

I will pour out my Spirit on all flesh  
My sons and daughters shall prophesy  
My voice shall be amplified  
As you raise a roar  
A deep battle cry

I will breathe on you  
Release my power on you  
Take your spirit higher  
Connect  
Increase the fire

I will give you a new name  
You will be called  
STRONG
